

# Wow!

- Great 33 talks!
- Intend to focus on
  - Translational opportunities
  - CM&C
  - Biomarkers, ‘Omics
- Perfect balance
  - Academia / Industry / Regulatory
  - Seniors & Juniors
- Thank you all for your contributions and participation

# Wow<sup>2</sup>

- Great City, Great Food, Great Louis
- Unanimously it was perfectly organized
- Thanks to ....

# History

- “Biostatistics in Toxicology”
  - 1996, Brugge
  
- “Statistical Methodology in Non-clinical R&D”
  - 1998 Nice
  - 2000 Montreux
  - 2002 Barcelona
  - 2004 Dublin
  - 2005 Nice
  
- With DIA

# Non-Clinical Statistics “NCS”

A new start for the community

- 2005, Potsdam, Germany
  - 64 participants
- 2008, Leuven, Belgium
  - 128 participants
- *2010*
  - *256 participants*

But where ?

# NCS 2008 Sponsors
